Reference: Recycling of telecommunication equipment for Vodafone Portugal

To whom it may concern,

I hereby confirm this letter as a reference for Lukromtel, s.r.o. Slovakia/
N.S.Consulting United Kingdom for the services they have supplied to
VODAFONE Portugal. This has included scraping/recycling of telecommunication
equipment (cables, RBSs, switching equipment and various items of telecomm
equipments) from different suppliers/manufacturers.

I would recommend mentioned companies and the services they supply.

Best Regards,

Armando Silva
